To log into your MyChart account, open the MyChart app or go to:
<https://mychart.gwdocs.com/MyChart/Authentication/Login?>

Enter your username and password which you created when registering for MyChart.

If you do not remember your username* or password**, select the option to recover by sending a recovery email to the email address on file.

- You can contact the MyChart Patient Help Desk at (202) 741 - 3110 with any questions logging in to your account.

While logged into MyChart, if your keyboard remains idle for 15 minutes or more, you will be automatically logged out.

To protect your privacy and security of your information, we recommend that you log out of your MyChart session if you need to leave your computer for even a short period of time.
